2. the field was occupied by aircraft and stated that the field was guarded by soldiers wearing blue or red-bordered, black epaulets. more officers and EM have arrived in SCHOENWALDE since early September 1949 than were transferred. The personnel arrived mostly in small groups.

25X1 Comment:

- a. The report confirms the occupation of the field by a ground attack regiment. The training regiment of the III Bmr Corps previously stationed in SCHOENWALDE is now assumed to be in STAAKEN.
- b. The information again confirms the presence of an army unit besides the ground attack regiment and its attached ground unit.
